THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK

ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

The Employee Coverage section applies to *employees* hired on or after the effective date of this *plan*. The Dependent Coverage section applies to *dependents* that are added on or after the effective date of this *plan*.

Employees who were covered under any plan that this *plan* replaces will be covered on the effective date of this *plan*. Coverage will include *dependents* of such an *employee*. *You* must have met the eligibility requirements of the *plan*.

EMPLOYEE COVERAGE

Employee Eligibility

You are eligible for coverage under the *plan* if the following conditions are met:

1. *Your employer* has elected to be a member of the Colorado Employer Benefit Trust;
2. *You* are an *employee* who meets the eligibility requirements of *your employer*; and
3. *You* satisfy the eligibility period as determined by *your employer*; or
4. *You* are an elected official of *your employer*.

You are eligible to be covered on the first day of the month following or coinciding with *your* completion of *your employer's* chosen eligibility period. This is *your* eligibility date.

Employee Effective Date

You must enroll on forms accepted by the *plan administrator*. Each *employee's* effective date is determined as follows:

1. *Your* completed forms are received by the *plan administrator* within 30 days of the date *you* are eligible. This is a timely enrollment. *Your* coverage will be effective on *your* eligibility date.
2. *Your* completed forms are received by the *plan administrator* **more than** 30 days after the date *you* are eligible. This is **late enrollment**. *You* will not be eligible for coverage until the next annual enrollment period.

Coverage will begin at 12:01 AM, Standard Time, on *your* effective date. *You* must begin active work with the *employer* before coverage will be effective under the *plan*.

DEPENDENT COVERAGE

Dependent Eligibility

A *dependent* is eligible to be covered on the later of:

1. The date the *employee* is covered;
2. The date of the *employee's* marriage for a *dependent* acquired on that date;
3. The child's date of birth;
4. The date a court order places a child in the *employee's* home. The child must be under the *employee's* legal guardianship;

Dependent Eligibility – continued

6. The date a valid court order is issued which, by federal law or *plan* provision, requires the *plan* to provide coverage.

Dependents may only be covered if the *employee* is covered. Check with *your employer* on how to enroll for *dependent* coverage. Late enrollment may result in a delay of coverage.

When both parents are *employees* of the same contributing *employer*, only one may enroll for *dependent* coverage.

Dependent Effective Date

Each *dependent* must be enrolled on forms accepted by the *plan administrator*. Each *dependent's* effective date of coverage is determined as follows:

1. The completed forms are received by the *plan administrator* within 30 days of the *dependent's* eligibility date. This is a timely enrollment. That *dependent* is covered on their eligibility date.
2. The completed forms are received by the *plan administrator* **more than** 30 days after the *dependent's* eligibility date. This is a **late enrollment**. That *dependent* will not be eligible for coverage until the next annual enrollment period.

Coverage will begin at 12:01 AM, Standard Time, on the *dependent's* effective date.

A *dependent* child that becomes an *employee* must apply for coverage as an *employee* to remain covered by the *plan*. The child will not be eligible as *your dependent*.

Newborn and Adopted Children

A newborn child of a covered *employee* or *dependent* spouse is automatically covered during the first 31 days of life and an adopted child is automatically covered in the 31-day period immediately following placement for adoption. Coverage is only provided automatically under this *plan* **in the absence of other coverage under another plan**. *Dependent* coverage **must** be in force for coverage to continue past the first 31 days of life. If *dependent* coverage is not in force at the end of the 31 days, the child's coverage will terminate immediately.

HIPAA SPECIAL ENROLLMENT RIGHTS

If *you* have a special enrollment event, the *plan* will provide a new enrollment date for *you* to enter the *plan* as shown below. At that time, *you* will be able to enroll in the *plan* without being subject to the *late applicant* provisions of the *plan*. If the *plan* has more than one benefit option, *you* will be able to select from all options for which *you* are eligible.

Loss of Other Coverage

If *you* declined coverage under this *plan* in favor of other group or individual health coverage, or COBRA continuation, and coverage under that other plan ends:

1. Due to *your* exhaustion of the maximum COBRA period;
2. Due to *your* loss of eligibility, for any reason;
3. Due to *your* reaching the lifetime maximum for all benefits; or
4. Employer stops contributions towards the cost of the other coverage;

Special Enrollment Rights – continued

Then a special enrollment event has occurred. At that time, an *employee* or *dependent* may be enrolled in this *plan* as follows:

1. When the *employee* has a loss of coverage, the *employee* and any *dependent* may enroll. The *dependent* does not have to have had a loss of coverage at that time to be enrolled;
2. When a *dependent* has a loss of coverage, that *dependent*, the *employee* and any other eligible *dependent* may enroll. The *employee* and other *dependents* do not have to have had a loss of coverage at that time to enroll.

You must enroll in this *plan* within 30 days of the date of a loss of other coverage to be a timely entrant to the *plan*. *You must* provide proof that the other coverage was lost due to one of the above shown reasons. Coverage under this *plan* will not be effective until such proof is provided. Coverage under this *plan* will be effective on the day coverage under the other group plan ends.

If *you* apply more than 30 days after the date the other coverage ends, *you* will not be eligible for coverage until the next annual enrollment period.

Marriage

If *you*, as the *employee*, are now getting married, a special enrollment event will occur on the date of *your* marriage. At that time, *you* may enroll in this *plan*. Any *dependents* acquired on the date of *your* marriage may also be enrolled at this time as well as any other *dependents* that were not previously covered under the *plan*.

You must enroll in this *plan* within 30 days of the date of *marriage* to be a timely entrant to the *plan*. Coverage under the *plan* will be effective on the day of *your* marriage. If *you* apply more than 30 days after the date of *your* marriage, *you* will not be eligible for coverage until the next annual enrollment period.

Birth, Adoption or Placement for Adoption

If *you* experience the birth of a *dependent* child, or the adoption or placement for adoption of a *dependent* child, a special enrollment event will occur on that date. At that time, *you* may enroll in this *plan*. *Your dependent* spouse and the newborn or adopted child may also be enrolled at this time as well as any other *dependents* that were not covered previously under the *plan*.

You must enroll in this *plan* within 30 days of the date of birth, adoption or placement to be a timely entrant to the *plan*. Coverage under the *plan* will be effective on the date of such an event. If *you* apply more than 30 days after the date of such an event, *you* will not be eligible for coverage until the next annual enrollment period.

MEDICAID/STATE CHILD HEALTH PLAN

If *you* and/or *your dependents* were covered under a Medicaid plan or State child health plan and *your* coverage is now being terminated due to a loss of eligibility, a special enrollment event will occur on the date Medicaid or the State child health plan coverage ends.

You must request coverage under this *plan* within 60 days after the date of termination of such coverage. Coverage under this *plan* will be effective on the date the other coverage ends. If *you* apply for coverage more than 60 days after the date the Medicaid or State child health plan coverage ends, *you* will be considered a *late applicant* under this *plan*.

Premium Assistance

Current *employees* and their eligible *dependents* may be eligible for a special enrollment event if the *employee* and/or *dependents* are determined eligible, under a state's Medicaid plan or State child health plan, for premium assistance with respect to coverage under this *plan*. *You* must request coverage under this *plan* within 60 days after the date the *employee* and/or *dependent* is determined to be eligible for such assistance. If *you* apply for coverage more than 60 days after this date, *you* will be considered a *late applicant* under the *plan*.

RETIREE COVERAGE

You may be eligible for Retiree Coverage if *your employer* elected to provide Retiree Benefits. If *your employer* did elect to provide Retiree Benefits, to elect Retiree Coverage under this plan, *you* must meet the retiree requirements as set forth by *your employer*, which will include one of the following options:

1. 50 years of age with 20 or more years of service to the *employer*;
2. 50 years of age with 15 or more years of service to the *employer*; or
3. Other eligibility requirements as determined by *your employer*.

Retiree Coverage will continue until the date the retiree reaches age 65. At that time coverage will also end for any *dependents* of the retiree. The retiree must pay their portion of any *plan* contributions.

NOTE: If *you* are Medicare eligible, claims must be submitted to Medicare first. After Medicare has processed *your* claim, the claim and the Medicare EOB should be submitted to this *plan*.

ANNUAL ENROLLMENT PERIOD

Each year, a 30-day period will be provided for enrollment. Once *you* have made elections for the year, *your* choices cannot be changed until the next annual enrollment period, unless *you* have a change in status, or request to voluntarily terminate coverage mid-year.

Completed enrollment forms must be received by the *plan administrator* before the end of the 30 day annual enrollment period. If *your* completed enrollment form is not received by that time, *you* will not be able to enter the *plan* until the next annual enrollment period or change in status.

Enrollment forms will automatically continue each year unless revoked by *you* in writing each year. *Your employer* will notify *you* when the annual enrollment period is each year.

Changes In Status

If *you* have a change in status, as defined by the IRS, *you* have 30 days from the date of that change to make new elections under this *plan*. Any changes in *your* elections must be consistent with *your* change in status or they will not be allowed. Change in status means only a change as stated below.

Spousal Transfer Provision – continued

In addition, if both spouses are *employees* and eligible for coverage under this *plan* and *your* spouse previously waived coverage as an *employee* in favor of coverage as *your dependent*, this *plan* permits *your* spouse to take coverage as an *employee* under the *plan* and to enroll *you* and any other eligible *dependents* as *dependents* of *your* spouse when:

At the end of this period, COBRA continuation will be offered.

SURVIVORSHIP CONTINUATION

If *you* have *dependent* coverage in force on the date that *you* die, coverage under this *plan* will continue for *your* surviving *dependents* who were covered under the *plan* on the day immediately preceding *your* death. Survivorship Continuation will end on the earliest of the following:

1. The date *your* surviving *dependents* become covered under any other group plan;
2. The end of two consecutive years following *your* death.

This continuation will run concurrently with any continuation of coverage required by COBRA.

TERMINATION OF COVERAGE

Coverage terminates on the earliest of the following:

1. The date the *plan* terminates;
2. For any benefit, the date the benefit is removed from the *plan*;
3. The end of the period for which any required *employee* or *employer* contribution was due and not paid;
4. The date *you* enter the full-time military, naval or air service of any country;
5. The end of the month in which *you* fail to be in an eligible class of persons according to the eligibility requirements of the *employer*;
6. For all *employees*, the end of the month in which termination of employment with the *employer* occurs or, if earlier, the end of the month in which *you* are no longer *actively at work* as defined in this *plan*;
7. For all *employees*, the end of the month in which *your* retirement occurs, unless *you* are eligible for and elect Retiree Coverage;
8. For *your dependents*, the date *your* coverage terminates;
9. For a *dependent*, the date the *dependent* enters the full-time military, naval or air service of any country;
10. For a *dependent* spouse, the date that *dependent* no longer meets this *plan's* definition of *dependent*;
11. For a *dependent* child, the earlier of the date that *dependent* reaches the limiting age or the end of the month in which the *dependent* child no longer meets the *plan's* eligibility requirements as stated in the definition of *dependent*;
12. The date *you* request termination of coverage to be effective for yourself and/or *your dependents*; or
13. The date *you* die.

Important Notice for Active Employees and Spouses Age 65 and Over

The *plan* cannot terminate *your* coverage due to age or *Medicare* status. An active *employee* that is eligible for *Medicare* due to age (age 65 or over) has the choice to:

1. Maintain coverage under this *plan*, in which case *Medicare* benefits would be secondary to this *plan*; or
2. End coverage under this *plan*, in which case *Medicare* would be the only coverage available to *you*.

An active *employee's* spouse who is eligible for *Medicare* due to age (age 65 or over) has the same choice.

FAMILY AND MEDICAL LEAVE ACT (FMLA)

The Family and Medical Leave Act is a federal law. This law applies to *employers* with 50 or more *employees*. It requires that coverage under this *plan* be continued during a period of approved FMLA leave. The coverage must be identical to the coverage that would have been provided had FMLA leave not been taken. The coverage must be at the same cost to the *employee* as it would have been had FMLA leave not been taken.

If this *plan* is established while *you* are on FMLA, *your* coverage will be effective on the same date it would have been had *you* not taken leave. If the *plan* is amended while *you* are on FMLA leave, the changes will be effective for *you* on the same date as they would have been had *you* not taken leave.

EMPLOYEE ELIGIBILITY

An *employee* is eligible to take FMLA leave, if all of the following conditions are met:

1. The *employee* has been employed with the *employer* for a total of at least 12 months;
2. The *employee* has worked at least 1,250 hours during the 12 consecutive months prior to the request for FMLA leave; and
3. The *employee* is employed at a worksite that employs at least 50 *employees*.

TYPES OF LEAVE

Coverage under this *plan* can be continued during a period of FMLA leave. The *employee* must continue to pay the *employee* portion of the *plan* contribution during FMLA leave. If payment is not received, coverage will terminate.

Family and Medical Leave

Up to 12 weeks of coverage is available during a 12 month period, as defined by the *employer*, for:

1. The birth of the *employee's* child;
2. The placement of a child with the *employee* for adoption. The placement of a child with the *employee* for foster care;
3. The *employee* taking leave to care for a spouse, son, daughter, or parent that has a serious health condition;
4. The *employee* taking leave due to a serious health condition, which makes him unable to perform the functions of his position; or
5. Any qualifying necessity that results from the *employee's* spouse, son, daughter, or parent being called to or serving on active duty in the armed forces in support of a contingency operation.

Military Family Leave

Up to 26 weeks of coverage is available during a 12 month period, as defined by the *employer*, to care for a member of the armed forces that is the *employee's* spouse, son, daughter, parent or next of kin. Care must be necessary due to a serious injury or illness incurred by the service member in the line of duty during a period of active duty in the armed forces.

FMLA - continued

Maximum Leave Period

The maximum for each type of FMLA leave will apply separately as stated above. If FMLA leave during a single 12 month period includes both Family and Medical Leave and Military Family Leave, the combined maximum will not exceed 26 weeks.

If the *employee* and the *employee's* spouse are both employed by the *employer*, FMLA leave may be limited to a combined total for both spouses of:

1. 12 weeks when FMLA leave is due to the birth or placement of a son or daughter, or to the care of a parent with a serious health condition;
2. 26 weeks when FMLA leave is due to the care of a member of the armed forces; or
3. 26 weeks combined when both Family and Medical Leave and Military Family Leave are taken.

Termination Before the Maximum Leave Period

If the *employee* decides not to return to work, coverage under the *plan* may end at that time.

If the *plan* contribution is not paid within 30 days of its due date, coverage under the *plan* may end at that time. Notice of termination must be provided at least 15 days prior to the termination date.

If an *employee* does not return to work at the end of FMLA leave, COBRA Continuation will be offered at that time.

Recovery of Plan Contributions

The *employer* has the right to recover the portion of *plan* contributions it paid to maintain coverage under the *plan* during an unpaid FMLA leave. If the *employee* does not return to work at the end of the leave, that right may be exercised. This right will not apply if failure to return is due to circumstances beyond the *employee's* control.

REINSTATEMENT OF COVERAGE UPON RETURN TO WORK

The law requires that coverage be reinstated upon the *employee's* return to work. Reinstatement will apply whether coverage under the *plan* was maintained during the FMLA leave or not.

On reinstatement, all provisions and limits of the *plan* will apply as they would have applied if FMLA leave had not been taken. The eligibility period will be waived. The pre-existing condition limit will be credited as if *you* had been continually covered under the *plan*.

DEFINITIONS

For this provision only, the following terms are defined as shown below:

Serious Health Condition is any *sickness, injury*, impairment or physical or mental condition that involves:

1. Inpatient care in a *hospital*, hospice or residential medical care facility, including any period of incapacity (i.e. inability to work, attend school or perform other regular daily activities) due to a serious health condition, or treatment of or recovery from a serious health condition;

FMLA - continued

2. Continuing treatment by a *qualified practitioner*, including any period of incapacity:
 - a. for more than three consecutive calendar days, if a *qualified practitioner* is consulted two or more times during the period or a *qualified practitioner* is consulted at least once and a continuing treatment program is provided;
 - b. due to pregnancy or prenatal treatment, even if treatment is not provided or it does not last for more than three days;
 - c. due to a chronic condition (i.e. a condition which requires periodic treatments by a *qualified practitioner* and continues over an extended period of time, whether incapacity is continuous or periodic), even if treatment is not provided or it does not last for more than three days;
 - d. which is permanent or long term due to a condition which requires the supervision of a *qualified practitioner*, but for which treatment is ineffective;
 - e. to receive multiple treatments from a *qualified practitioner* for restorative surgery due to *accident* or *sickness* or for a condition that would likely result in a period of incapacity of more than three days without such treatment.

Serious health condition does not include cosmetic treatments unless inpatient care is required or complications develop, or common ailments such as colds, flu, ear aches, upset stomach, minor ulcers, headaches, other than migraines, routine dental or orthodontic problems.

Spouse is *your* lawful husband or wife.

Son or Daughter is *your* natural blood related child, adopted child, step-child, foster child, a child placed in *your* legal custody or a child for which *you* are acting as the parent in place of the child's natural blood related parent. The child must be:

1. Under the age of 18; or
2. Over the age of 18, but incapable of self-care due to a mental or physical disability.

Parent is *your* natural blood related parent or someone who has acted as *your* parent in place of *your* natural blood related parent.

NOTE: To the extent that State or local law requires an *employer* to provide greater leave rights than those stated above, this *plan* will provide that greater right. For complete information regarding *your* rights under the FMLA, contact *your employer*.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

The Uniformed Services Employment and Reemployment Rights Act (USERRA) is a federal law.

CONTINUATION OF COVERAGE DURING MILITARY LEAVE

The law requires that coverage under this *plan* be continued during a leave that is covered by the Act. Coverage must be the same as is provided under the *plan* to similar active *employees*. This means that when coverage is changed for similar active *employees* it will also change for the person on leave. The cost of such coverage will be:

1. For leaves of 30 days or less, the same as the *employee* contribution required for active *employees*;
2. For leaves of 31 days or more, up to 102% of the full contribution.

This Act only applies to health coverage (i.e. medical, dental, drug, vision). Short and long term disability and life benefits are not subject to the Act.

Coverage provided due to this Act will reduce any coverage required by COBRA.

Maximum Period of Coverage during Military Leave

Continued coverage under this provision will terminate on the earlier of the following events:

1. The date *you* fail to return to employment with the *employer* after completion of *your* leave. *Employees* must return to employment within:
 - a. the first full business day of completing military service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such military service,
 - b. 14 days of completing military service, for leaves of 31 to 180 days,
 - c. 90 days of completing military service, for leaves of more than 180 days; or
2. 24 months from the date your leave began.

REINSTATEMENT OF COVERAGE FOLLOWING MILITARY LEAVE

The law requires that coverage be reinstated upon *your* return to work. Reinstatement will apply whether coverage under the *plan* was maintained during the leave or not. To be eligible for reinstatement *you* must be honorably discharged from the military service and return to work within:

1. The first, full business day after *your* military service ends, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such military service;
2. 14 days after *your* military service ends, for leaves of 31 to 180 days;
3. 90 days after *your* military service ends, for leaves of more than 180 days.

You may be allowed more time to return to work if *your* military service: causes a *sickness* or *injury*; or worsens a *sickness* or *injury*. Your failure to return within the times stated must be due to such a *sickness* or *injury*. In that case, *you* may take up to a period of two years to return to work. If for reasons beyond *your* control *you* cannot return to work within two years, *you* must return as soon as is reasonably possible.

USERRA - continued

On reinstatement, all provisions and limits of the *plan* will apply to the extent that they would have had *you* not taken leave. The eligibility period will be waived. The pre-existing condition limit will be credited as if *you* had been continually covered under the *plan*.

This does not waive the *plan's* limits on *sickness* or *injury*: caused by *your* military service; or worsened by *your* military service. The Secretary of Veterans Affairs will determine if *your* military service caused or worsened a *sickness* or *injury*.

NOTE: For complete information regarding *your* rights under the Uniformed Services Employment and Reemployment Rights Act, contact *your employer*.

CONTINUATION OF BENEFITS

THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)

COBRA is a federal law. It applies to *employers* that have 20 or more employees. The law requires these *employers* to offer covered individuals continuation coverage (COBRA) under the *plan* if coverage is lost or cost increases due to specific events. COBRA must be offered at group rates. The *employer* cannot require evidence of good health as a condition of COBRA. COBRA must be the same as coverage for similar active *employees* under the *plan*. This means that when coverage is changed for similar active *employees* it will also change for the person on COBRA.

COBRA only applies to health coverage (i.e. medical, dental, drug, vision). Short and long term disability and life benefits are not subject to the COBRA.

Employee Rights to COBRA

An *employee* that is covered by this *plan* has a right to elect COBRA if coverage is lost or cost increases due to:

1. A reduction in the *employee's* hours of work; or
2. The termination of the *employee's* employment. This will not apply if termination is due to gross misconduct on the *employee's* part.

Spouse Rights to COBRA

The spouse of an *employee* that is covered by this *plan* has a right to elect COBRA if coverage is lost or cost increases due to:

1. A reduction in the *employee's* hours of work;
2. The termination of the *employee's* employment. This will not apply if termination is due to gross misconduct on the *employee's* part;
3. The death of the *employee*;
4. The end of the spouse's marriage to the *employee*. The marriage must end due to dissolution, annulment, divorce, or legal separation; or
5. The *employee* becoming entitled to *Medicare*.

Dependent Child Rights to COBRA

The *dependent* child of an *employee* that is covered by this *plan* has a right to elect COBRA if coverage is lost or cost increases due to:

1. A reduction in the employee's hours of work;
2. The termination of the employee's employment. This will not apply if termination is due to gross misconduct on the employee's part;
3. The death of the employee;
4. The end of the employee's marriage. The marriage must end due to dissolution, annulment, divorce or legal separation;
5. The employee becoming entitled to Medicare; or

COBRA – continued

6. The child ceasing to be considered a dependent child as defined in this plan.

Electing COBRA

Each person covered by this *plan* has an independent right to elect COBRA for himself or herself. A covered *employee* or spouse may elect COBRA for all family members. A parent or legal guardian may elect coverage for a minor child.

If coverage has been terminated in anticipation of a qualifying event, the right to COBRA will still apply at the time of the event. In this case, COBRA will be effective on the date of the event even though it is after the date coverage was lost or cost increased.

If the *employee's dependent* child is born during the COBRA coverage period, that child may be added to the coverage. The child will have all of the rights that any other child would have under COBRA. If a child is adopted by or placed for adoption with the *employee* during the COBRA coverage period, that child may be added to the coverage. The child will have all of the rights that any other child would have under COBRA.

Retiree Coverage (if provided)

If coverage is lost due to the termination of retiree benefits, *you* have a right to elect COBRA. *You* also have the right to elect COBRA if retiree benefits are substantially eliminated. Termination or substantial elimination must occur within one year before or after the *employer* files Chapter 11 bankruptcy.

Notices and Election of Coverage

Under the law, *you* must inform the *plan administrator* within 60 days of: a divorce; legal separation; annulment; or dissolution of marriage. *You* must also inform the *plan administrator* within 60 days of a child no longer meeting the *plan's* definition of *dependent*. The *employer* must notify the *plan administrator* of: the *employee's* death; termination of employment; reduction in hours of work; or *Medicare* entitlement. The *employer* must also notify the *plan administrator* of a termination or substantial elimination of retiree coverage due to Chapter 11 bankruptcy. See Procedures for Providing Notice to the Plan for further information.

Within 14 days of receiving notice that one of the above events has happened, the *plan administrator* will notify *you* that *you* have the right to elect COBRA. If the employer and plan administrator are the same entity, notice of the right to elect will be provided within 44 days. Under the law *you* must elect COBRA within 60 days from the later of: the date *you* would lose coverage or cost would increase due to the qualifying event; or the date notice of *your* right to COBRA and the election form are sent.

The *plan administrator* must provide *you* with a quote of the total monthly cost of COBRA. The initial payment is due by the 45th day after coverage is elected. All other payments are due on a monthly basis, subject to a 30 day grace period.

If *you* elect COBRA within the 60 day period, COBRA will be effective on the date that *you* would lose coverage. If *you* do not elect COBRA within this 60 day period, COBRA will not be available. *Your* coverage under the *plan* will terminate.

If *you* elect COBRA, it is *your* duty to pay all of the monthly payments directly to the *plan administrator*. The cost of COBRA must be a reasonable estimate of the cost of coverage had it not ended. The *plan* may add a 2% administration charge to that cost. The *plan* may charge an additional 50% during the 11 month extension for total disability if the disabled individual is covered. If the disabled individual is not covered, only the 2% administration charge will apply during the extension.

Payments for COBRA may only be increased once during any one 12 month period. The timing of the 12 month period is set by the *plan administrator*.

Vision Plan - Revised 7/1/10

COBRA – continued

Maximum Period of Continuation of Coverage

When coverage is lost or cost increases the law requires that the *employer* maintain COBRA for up to:

1. 18 months, if due to the employee's termination of employment. Termination must be for reasons other than gross misconduct on the employee's part;
2. 18 months, if due to the employee's reduction in work hours;
3. 36 months, if due to the death of the employee;
4. 36 months, if due to the end of the employee's marriage. The marriage must end due to dissolution, annulment, divorce or legal separation;
5. 36 months, if due to the employee becoming entitled to Medicare. If coverage is not lost or cost does not increase until a later date, COBRA will end at the later of: 36 months from the date of the employee's Medicare entitlement; or the maximum period of COBRA allowed due to the event that caused the loss of coverage or increase in cost;
6. 36 months, if due to your ceasing to be a dependent child as defined in the plan; or
7. The lifetime of the retiree, if due to the termination of retiree benefits. The same period will apply if due to the substantial elimination of retiree benefits. Termination or substantial elimination must occur within one year before or after the employer files Chapter 11 bankruptcy. Upon the retiree's death, any covered dependent may elect COBRA for an additional 36 months from that date.

If *you* or a *dependent* are disabled at the time of a qualifying event, an 18 month COBRA period may be extended by 11 months. The 18 month period may also be extended if *you* or a *dependent* become disabled during the first 60 days of COBRA. *You* must be disabled under the terms of Title II or Title XVI of the Social Security Act. The maximum period may extend to 29 months from the original event. *You* must provide notice to the *plan administrator* within 60 days after such determination of disability is made. This notice must also be prior to the end of the 18 month COBRA period. If notice is not given within these times, *you* will not be eligible for the extended period. If it is determined that *you* are no longer disabled, *you* must notify the *plan administrator* within 30 days of that final determination. The right to this extended period applies to each individual. It will apply even if the disabled individual does not remain covered. See Procedures for Providing Notice to the Plan for further information.

If a second event occurs during the initial 18 or 29 month period, COBRA may be extended to 36 months. Second events include: the *employee's* death; the *employee's* divorce; a child no longer meeting the definition of *dependent*. A second event will not result in an extension of COBRA, if the event would not result in a loss of coverage for an active employee or dependent. Except in the case of bankruptcy the period will not exceed 36 months from the date of the original event.

The maximum coverage period is measured from the date of the qualifying event. This is true even if the qualifying event does not result in a loss of coverage or increase in cost until a later date.

If COBRA is rejected in favor of an alternate coverage under the *plan*, COBRA will not be offered at the end of that period. If an alternate coverage is offered, COBRA will be reduced to the extent such coverage satisfies the requirements of COBRA. Alternate coverage includes continuation by: state law; USERRA; or any other plan provision.

COBRA – continued

Termination Before the End of the Maximum Coverage Period

The law allows COBRA to be terminated prior to the end of the maximum period. Such termination can only be for one of the following reasons:

1. The employer no longer provides a group benefit plan to any of its employees;
2. The payment for COBRA is not paid on time. Monthly payments are subject to a 30 day grace period. If a payment is on time and not significantly less than the amount due, it will be considered full payment unless notice of the amount due is provided to you. You will have 30 days from the date of notice to make the additional payment;
3. You obtain another group plan after the date you elect COBRA. This will not apply if that group plan has a pre-existing condition exclusion or limit that applies to you. If such limit or exclusion has been met by a credit from your previous coverage, this provision will apply. If your new plan does have a pre-existing condition exclusion or limit that applies to you, then COBRA will end on the earlier of: the date that exclusion or limit no longer applies to you; or the end of the maximum coverage period;
4. You become entitled to Medicare after the date you elect COBRA;
5. There has been a final determination that you are no longer disabled. Such determination must be made under Title II or XVI of the Social Security Act. This will only apply during the 11 month extension of COBRA due to disability. In this case, COBRA will not end until the first day of the month that is more than 30 days after the determination.

Additional Election Period due to The Trade Act of 2002

If *you* did not elect COBRA during the election period described above, another 60 day period may be presented for *you* to elect COBRA. If *your* loss of coverage was due to a Trade Adjustment Assistance (TAA) event and *you* are determined to be TAA eligible during the six month period following *your* loss of coverage, *you* will have an additional period in which to elect COBRA. This election period will begin the first of the month in which *you* become TAA eligible. The period will end on the earlier of: 60 days from the date it began; or the end of the six month period following *your* loss of coverage due to a TAA event.

If *you* elect COBRA during this TAA election period, COBRA will be effective on the first of the month in which *you* became TAA eligible. COBRA will not be provided for the period of time between *your* loss of coverage and the first of the month in which *you* became TAA eligible. However, that time will not be counted as a lapse in coverage for purposes of determining if the *plan's* pre-existing condition exclusion will apply. In this case, the maximum period of coverage will be counted from the date *you* lost coverage under the *plan*, not the date COBRA is effective. If *you* do not elect COBRA within this period, COBRA will not be available again.

If *you* elect COBRA, it is *your* duty to pay all of the monthly payments directly to the *plan administrator*. The Trade Act of 2002 did create a tax credit for TAA eligible individuals. Under the Act up to 65% of the cost of COBRA can be taken as a tax credit. The Act also provides an option for an advance payment of the tax credit toward the cost of COBRA. If *you* have questions about this tax credit, call the Health Care Tax Credit Customer Contact Center toll-free at 1-866-628-4282. Additional information about the Trade Act of 2002 can be found at www.doleta.gov/tradeact.

ARRA made several amendments to the Trade Act of 2002, including an increase in the amount of the credit to 80% of premiums for coverage before January 1, 2011 and temporary extensions of the maximum period of COBRA continuation coverage for PBGC recipients (covered *employees* who have a nonforfeitable right to a benefit any portion of which is to be paid by the PBGC) and TAA-eligible individuals.

COBRA – continued

Procedures for Providing Notice to the Plan

In order to maintain *your* rights under COBRA, *you* are required to provide the *plan* with notice of certain events, as described above. The *plan* will consider *your* obligation to provide notice satisfied if *you* provide written notice to the *plan administrator* that includes:

1. The employee's name and social security number;
2. The name of the individual(s) to whom the notice applies;
3. The reason for which notice is being provided; and
4. The address and phone number where you can be contacted.

Notice should be addressed to the Human Resources Department, Attn: COBRA Administration. Notice should be mailed to the *plan administrator's* address shown in this *plan*. *Your* notice will not satisfy *your* obligation if it is not provided within the time frame stated above for that notice.

Other Information

The *plan administrator* will answer any questions *you* may have on COBRA. *You* can also contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) for answers to *your* questions. Addresses and phone numbers of Regional and District EBSA Offices are available through the EBSA's website at www.dol.gov/ebsa.

To protect *your* rights under COBRA, *you* should notify the *plan administrator* of any changes that affect *your* coverage. Such changes include a change for *you* or a family member in marital status; address; or other insurance coverage. When providing any notice to the *plan*, a copy should be maintained for *your* own records.

AMERICAN RECOVERY AND REINVESTMENT ACT

The American Recovery and Reinvestment Act COBRA subsidy provision will automatically terminate on December 31, 2011 and benefits outlined will no longer be available without further *plan* amendment.

The American Recovery and Reinvestment Act of 2009 (ARRA), as amended by the Department of Defense Appropriations Act of 2010 ("Defense Act"), the Temporary Extension Act of 2010 ("TEA"), the Continuing Extension Act of 2010, and any future applicable legislation, reduces the COBRA premium in some cases. If a *covered person* experienced a loss of coverage due to involuntary termination by the *employer* during the period that begins with September 1, 2008 and ends with May 31, 2010, the *covered person* may be eligible for the temporary premium reduction for up to fifteen months.

ELIGIBLE INDIVIDUALS

Covered persons and their *dependents* who experienced a loss of coverage under the *plan* due to an involuntary termination of employment between September 1, 2008 and May 31, 2010 or is an individual who experiences a qualifying event that is a reduction of hours occurring at any time from September 1, 2008 and May 31, 2010, which is followed by an involuntary termination of employment on or after March 2, 2010 through May 31, 2010 and as a result, fit the definition of Qualified Beneficiary under COBRA are eligible. These individuals may also be referred to as Assistance Eligible Individuals (AEIs).

Some AEIs will have declined COBRA prior to passage of the law or elected COBRA but then dropped coverage prior to passage of the law. These AEIs will have a second opportunity to elect COBRA coverage and take advantage of the premium subsidy (reduced premium).

COBRA – continued

Some AEIs who have exhausted their nine month subsidy period prior to December 19, 2009 and who failed to pay the premium during the transition period may be eligible to retroactively reinstate coverage provided that they pay the reduced premium for such coverage within 60 days of the date of the enactment (in which case the due date would be February 17, 2010) or if later, 30 days after the date the notice is provided. The transition period is any period of coverage that begins prior to December 19, 2009 and is subject to the extension.

In addition, any AEI who exhausted their nine month subsidy period prior to the date of enactment of the “Defense Act”, and then subsequently paid the full premium during the transition period (the period of coverage that begins prior to December 19, 2009) are entitled to a refund or credit as prescribed by the original ARRA legislation.

An AEI that is eligible for the subsidy as a result of a reduction of hours that is followed by an involuntary termination of employment will have his or her maximum COBRA coverage measured from the date of the reduction in hours. This means that upon the later involuntary termination of employment, the individual can elect COBRA coverage only for the remainder of the original COBRA coverage period which began upon the reduction of hours of employment. Please refer to *your* COBRA election form for additional information regarding *your* rights to COBRA.

Assistance Eligible Individuals must not be eligible for coverage under any other group health plan (other than certain limited plans). This includes eligibility for coverage under a spouse’s employer’s plan or Medicare. Failure to notify the *plan* of eligibility under any other group health plan can result in significant penalties.

The subsidy will be phased out starting with taxpayers whose modified adjusted gross income exceeds \$125,000 (\$250,000 in the case of a joint return). This means a percentage of the subsidy will be recaptured in the federal income taxes imposed on individuals making more than \$125,000 (\$250,000 for joint returns). Higher income individuals (\$145,000/single and \$290,000/joint) can make an election to waive the subsidy in the manner and form set forth by the Secretary of the Treasury.

AMOUNT AND LENGTH OF SUBSIDY

Assistance Eligible Individuals will be responsible for only 35% of the amount of their COBRA premium. That means a Qualified Beneficiary whose normal full COBRA premium would be \$500 per month would be responsible for paying only \$175 per month for the qualifying time period.

The subsidy period ends at the earliest following date:

1. Fifteen months after the date the individual becomes eligible for the subsidy;
2. The date the Qualified Beneficiary becomes eligible for coverage under any other group health plan (other than certain limited plans) or becomes eligible for Medicare. This also includes eligibility for coverage under a spouse’s employer’s plan. The Qualified Beneficiary must notify the administrator in writing of such eligibility as set forth by the Department of Labor. Failure of the Qualified Beneficiary to notify the administrator may result in a penalty of 110% of the premium reduction provided after termination.
3. The date the Qualified Beneficiary’s maximum period of continuation coverage required under the applicable COBRA continuation coverage provision is met. Note that for those Qualified Beneficiaries receiving a second opportunity to elect coverage, the maximum COBRA continuation coverage period runs from the original Qualifying Event.

COBRA – continued

ELECTING THE SUBSIDY

If *you* have a qualifying event between September 1, 2008 and May 31, 2010, the COBRA Administrator will send *you* a formal notification of *your* COBRA rights under the American Recovery and Reinvestment Act, as amended. The notification will include the necessary forms and instructions on how to elect to receive the subsidy as applicable.

If it is determined that *you* are not an AEI, and *you* disagree with this determination, *you* may appeal this determination with the Department of Labor (DOL) in the manner and form specified by them. Please see <http://www.dol.gov/ebsa/subsidydenialreview.html>. State and local government Employees should contact HHS-CMS at www.cms.hhs.gov/COBRAContinuationofCov/ or NewCobraRights@cms.hhs.gov.

ELECTING DIFFERENT COVERAGE

If *your plan* offers a lower cost option, Assistance Eligible Individuals have the option to elect enrollment in the less expensive coverage than what the individual was enrolled in at the time the Qualifying Event occurred, if such coverage is generally available to current employees. If the *employer* offers this option, the notification that *you* will receive in the next few weeks will include information on the plans that are available and explain the procedure for enrolling in different coverage. If an AEI chooses to enroll in different coverage, such coverage shall be treated as COBRA continuation coverage.

In order for the Qualified Beneficiary to be eligible to elect different coverage than what they were enrolled in at the time of the Qualifying Event, all of the following must apply:

1. The premium for different coverage cannot be more than the premium for the coverage the individual was enrolled in when the qualifying event occurred;
2. The different coverage must also be offered to active employees at the time the election is made;
3. The different coverage cannot be coverage that provides only:
 - a. dental, vision, counseling or referral services (or a combination of such services),
 - b. a flexible spending account,
 - c. coverage for services or treatments furnished in an on-site medical facility maintained by the *employer* and that consists primarily of first-aid services, prevention and wellness care, or similar care (or combination of such care).

This election must be made in writing and not more than 90 days after the date of *your* formal COBRA notification.

If *you* have any questions about *your* rights to COBRA continuation coverage, *you* should contact *your* COBRA administrator.

COORDINATION OF BENEFITS

Benefits Subject to This Provision

This *plan's* benefits are coordinated with benefits provided by other plans that cover *you*. This is done to prevent over insurance, which would result in an increase in the cost of coverage under this *plan*. This provision will apply whether or not *you* file a claim under any other plan that covers *you*.

Effect on Benefits

In certain cases, this *plan's* benefits will be reduced when *you* are covered by other plans that provide benefits for the same service. Benefits under this *plan* and any other plans, as defined below, will be coordinated. The total benefit will not exceed 100% of the total *covered expenses* incurred under this *plan*.

Definitions

A plan is any coverage that provides benefits for medical or dental expenses. Benefits may be provided by payment or service. Plan includes any of the following:

1. Group or franchise insurance coverage, whether insured or self-funded;
2. *Hospital* or medical service organizations on a group basis and other group pre-payment plans;
3. A licensed Health Maintenance Organization (HMO);
4. Any coverage sponsored or provided by or through an educational institution;
5. Any governmental program or a program mandated by state statute;
6. Any coverage sponsored or provided by or through an *employer*, trustee, union, *employee* benefit, or other association.

This includes group type contracts not available to the general public. Such contracts may be obtained due to the *covered person's* membership in or connection with a particular group. This provision will apply whether or not such coverage is designated as franchise, blanket, or in some other fashion.

This does not include group or individual automobile "no fault" or traditional "fault" type contracts. It does not include school or other similar liability type contracts. Nor does it include other types of contracts claiming to be excess or contingent in all cases.

How Coordination of Benefits Works

One of the plans involved will pay benefits first, without considering the benefits available under the other plans. This is called the primary plan. The other plans will then make up the difference, up to the total *covered expense*. These plans are called secondary plans.

When a plan provides benefits in the form of services rather than cash payments, the *customary, usual and reasonable* value of each service will be deemed to be the benefit paid. No plan will pay more than it would have paid without this provision.

Order of Benefit Determination

The primary plan will be determined by the following rules. That plan will pay benefits first.

1. The plan that has no coordination provision will be primary.
2. The plan that covers the person as an *employee* will be primary.

Coordination of Benefits - continued

3. For a child who is covered under both parents' plans, the plan covering the parent whose birthday (month and day) occurs first in the *calendar year* will be primary. If both parents have the same birthday, the plan covering a parent for the longest period of time will be primary.
4. In the case of a child that is placed in the joint custody and physical placement of divorced, separated or unmarried parents rule 3. will apply, unless one parent has been assigned financial responsibility for the medical expenses of the child. In that case, the plan of the parent with financial responsibility, as ordered by the court, will be primary.
5. In the case of a child of divorced, separated or unmarried parents that is not in the joint custody and physical placement of both parents:
 - a. the plan of a parent who has primary physical placement will be primary,
 - b. the plan of a step-parent that has primary physical placement will pay benefits next,
 - c. the plan of a parent who does not have primary physical placement will pay benefits next, and
 - d. the plan of a step-parent that does not have primary physical placement will pay benefits next.

Unless one parent has been assigned financial responsibility for the medical expenses of the child. In that case, the plan of the parent with financial responsibility, as ordered by the court, will be primary.

6. The plan covering an inactive person: laid off; retired; on COBRA or any other form of continuation; or the dependent of such a person will pay benefits after the plan covering such persons as an active employee or the dependent of an active employee.
7. The plan covering the person under a disability extension of benefits will pay benefits before the plan covering such persons as an active employee or the dependent of an active employee.

If the primary plan is not established by the above rules, the plan that has covered the person for the longest period of time will be primary. If a plan other than this *plan* does not include provision 3., then that provision will be waived in order to determine benefits with the other plan.

Coordination of Benefits between Medical and Vision Plans

In all cases, the vision plan will be secondary. It will only pay benefits after the medical plan pays its benefits as the primary plan.

Coordination of Benefits with Medicare

In all cases, coordination with *Medicare* will conform to Federal Statutes and Regulations. Each person that is eligible for *Medicare* will be assumed to have full *Medicare* coverage. Full *Medicare* coverage is: Part A hospital insurance; and Part B voluntary medical insurance. Full *Medicare* coverage will be assumed whether or not it has been taken. *Your* benefits under this *plan* are subject to the allowable limiting charges set by *Medicare*. Benefits will be coordinated to the extent they would have been paid under *Medicare* as allowed by Federal Statutes and Regulations.

RECOVERY RIGHTS

GENERAL RECOVERY RIGHTS PROVISIONS

APPLICABLE TO RIGHT OF SUBROGATION, RIGHT OF REIMBURSEMENT, EXCESS COVERAGE PROVISION AND WORKERS' COMPENSATION

By accepting benefits paid by this *plan*, you agree to all of the following conditions. The payment of any claims by the *plan* is an advancement of *plan* assets. The *plan* has first priority to receive repayment of those *plan* assets out of any amount you recover. The *plan's* recovery rights have first priority over any and all other claims to recover damages, including first priority to receive payment from any liable or responsible party before you receive payment from that party. The *plan's* recovery rights will apply regardless of whether the amount of health care expense is agreed upon or defined in any settlement or compromise. The *plan's* recovery rights will apply even if any health care expense is excluded from the settlement or compromise. These rights will apply regardless of whether or not you are made whole.

The *plan* will not pay attorney fees without the express written consent of the *plan administrator*. The *plan* will not pay any costs associated with any claim or lawsuit without the express written consent of the *plan administrator*.

If you are deceased, the rights and provisions of this section will apply equally to your estate. If you are legally incapacitated the rights and provisions of this section will apply equally to your legal guardian.

In consideration of the coverage provided by this *plan*, when you file a claim you agree to all of the following conditions. You will sign any documents that the *plan* considers necessary to enforce its recovery rights. You will do whatever is necessary to enable the *plan* to exercise its recovery rights. You will follow the provisions of this section and do nothing at any time to prejudice those rights. You will assign to the *plan* any rights you have for expenses the *plan* paid on your behalf. You will hold any settlement funds in trust, either in a separate bank account in your name or in your attorney's trust account, until all *plan* assets are fully repaid or the *plan* agrees to disbursement of the funds in writing, if you receive payment from any liable or responsible party and the *plan* alleges that some or all of those funds are due and owed to the *plan*. You will serve as a trustee over those funds to the extent of the benefits the *plan* has paid.

For the purposes of this provision, the following definitions will apply:

1. Health care expense means any medical, dental or loss of time expense that has been paid by the *plan*. It also includes any medical, dental or loss of time expense that may be payable by the *plan* in the future.
2. Any responsible or liable party means the responsible or liable party; any liability or other insurance covering the responsible or liable party; you or your covered dependent's own uninsured motorist insurance or under insured motorist insurance; any medical payment, no-fault or school insurance coverage.

You have a duty to cooperate with the *plan* in the pursuit of any recovery. Failure to comply with the requirements of this section may result in the loss of your benefits under this *plan*.

Right of Subrogation

If, after payments have been made under this *plan*, you have a right to recover damages from a responsible or liable party, the *plan* shall be subrogated to that right to recover. The *plan's* right of subrogation is to full recovery. It may be made from any responsible or liable party. It will be to the extent of expenses that are paid or payable for any health care expenses under the *plan*.

Recovery Rights - continued

Right of Reimbursement

If benefits are paid under this *plan* and *you* recover from a responsible or liable party by settlement, judgment or otherwise, the *plan* has a right to recover from *you*. Recovery will be in an amount equal to the amount of *plan* assets paid on *your* behalf. The *plan's* right of reimbursement may be from funds received from any responsible or liable party. It will be to the extent of *plan* assets that are paid or payable for any health care expenses under the *plan*.

Excess Coverage Provision

Benefits are not payable for an *injury* or *sickness* if there is any responsible or liable party providing coverage for health care expenses *you* incur. This will apply regardless of whether such other coverage is described as primary, excess or contingent. In order to avoid delays in the paying of claims the *plan* may make payments on *your* behalf for *covered expenses* for which there is other insurance providing medical payments or health care expense coverage. Such payments are at the sole discretion of the *plan* and will be considered an advancement of *plan* assets to *you*.

This *plan* does not provide benefits or may reduce benefits for any present or future *covered expenses* that *you* have been compensated for. This will apply to the extent of any recovery by settlement, judgment or otherwise from any responsible or liable party. Benefits may be denied or reduced regardless of whether such recovery or part thereof is specifically denominated for health care expenses, personal injuries, lost wages or any other loss. Any reduction or denial of benefits is at the sole discretion of the *plan*.

Workers' Compensation

This *plan* excludes coverage for any *injury* or *sickness* that is eligible for benefits under Workers' Compensation. If benefits are paid by the *plan* and *you* receive Workers' Compensation for the same incident, the *plan* has the right to recover. That right is described in this section. The *plan* reserves its right to exercise its recovery rights against *you* even though:

1. The Workers' Compensation benefits are in dispute or are made by means of settlement or compromise;
2. No final determination is made that the *injury* or *sickness* was sustained in the course of or resulted from *your* employment;
3. The amount of Workers' Compensation due to health care expense is not agreed upon or defined by *you* or the Workers' Compensation carrier; or
4. The health care expense is specifically excluded from the Workers Compensation settlement or compromise.

GENERAL PROVISIONS

The following provisions are to protect *your* legal rights and the legal rights of the *plan*.

ALTERNATE RECIPIENTS

If a court order requires a *covered person* to provide health care coverage for a *dependent* child, coverage must be provided to the child. Coverage may not be subject to *plan* requirements such as: custody; marital status of parent; claimed on taxes; or 50% support. Enrollment periods and other similar limits on the eligibility of *dependents* are also waived for that child. If a *covered person* does not enroll the child in the *plan*, the *plan* must recognize the child's right to be enrolled. The custodial parent or legal guardian of the child may exercise this right. The Department of Health and Social Services may also exercise this right.

The child will be as an *employee* under the *plan* for the purpose of receiving *plan* information. The custodial parent or legal guardian may have this right on behalf of the child. The Department of Health and Social Services will also have this right. They must receive all information needed to be enrolled in and receive benefits under the *plan*. They must be provided with a copy of the *plan's* Summary Plan Description (SPD). Any payments made by the *plan* must be made to the child or the provider of service. Payment may also be made to the custodial parent, legal guardian or the Department of Health and Social Services.

A court order will not entitle the child to any benefits or coverage not already offered by the *plan*.

AMENDMENTS TO OR TERMINATION OF THE PLAN

The *plan's* benefits may be amended by the *employer* at any time. The *plan* may be terminated by the *employer* at any time. Any changes to the *plan* will be communicated immediately by the *employer* to the persons covered under the *plan*.

If the *plan* is terminated, the rights of the *covered persons* to benefits are limited. Only claims incurred and payable prior to the date of termination will be payable. *Plan* assets will be allocated to the exclusive benefit of the *covered persons*. Any taxes and expenses of the *plan* may be paid from the *plan* assets.

ASSIGNMENT

Any assignment will only be applied if the provider will refund any payments made in error. The *plan* does not attest to the legal validity or effect of any assignment.

CONFORMITY WITH APPLICABLE LAWS

If any part of this *plan* conflicts with any law that applies to the *plan*, it is hereby amended to comply with that law.

CONTRIBUTIONS TO THE PLAN

The *plan* is funded by contributions from the *employer* and the covered *employees*.

Any funds contributed by the *employees* are applied to the expenses of the *plan* as soon as is reasonably possible. Any excess funds are used to pay claims. The *employer* sets the amount of the *employee* contribution. The *employer* reserves the right to modify such contributions. All *employee* contributions are on a non-discriminatory basis.

DISCRETIONARY AUTHORITY

Benefits under this *plan* will be paid only if the *plan administrator* decides in its discretion that the *covered person* is entitled to the benefits. The *plan administrator* will have full discretion to interpret *plan* terms; make decisions regarding eligibility; and resolve factual questions. This discretion will apply with respect to all claim payments and benefits under the *plan*.

FAILURE TO ENFORCE PLAN PROVISIONS

The *plan's* failure to enforce any part of the *plan* will not affect the right, thereafter, to enforce that provision. Such failure will not affect the right to enforce any other provision of the *plan*.

FREE CHOICE OF PROVIDER

The *covered person* has a free choice of any legally licensed provider. The *plan* will not interfere with the provider/patient relationship.

INTERPRETATION

This *plan* does not constitute a contract between the *employer* and any *covered person*. It will not be considered as an incentive or condition of employment. The *plan* will not modify the provisions of any collective bargaining agreement that may be made by the *employer*. A copy of any such agreement is available from the *plan administrator* upon written request.

LEGAL ACTIONS

You may request the alternate dispute resolution process provided by the *plan* or bring an action at law or equity against the *plan*. Such action may not be sought until 60 days after the date *you* provide written proof of loss to the *plan*. If an alternative method of dispute resolution has been agreed to, action at law or equity may not be sought until the end of that process. Any such action cannot be sought more than three years after such proof of loss is submitted.

PAYMENT OF CLAIMS

All benefits (except for prescription drugs) will be paid directly to the provider of services, unless *you* direct otherwise in writing at the time proof of loss is filed.

Benefits payable on behalf of *you* or *your* covered *dependent*, upon death, will be paid at the *plan's* option to any one or more of the following: *your* spouse; *your dependent* children, including legally adopted children; *your* parents; *your* brothers and sisters; or *your* estate.

Any payment made in good faith will fully discharge the *plan* of its obligations to the extent of such payment.

PHYSICAL EXAMINATION

The *plan* has the right to have *you* examined as often as reasonably necessary while a claim is pending. Such examination will be at the *plan's* expense.

PRIVACY

The *employer*, who is the sponsor of this *plan*, will receive protected health information. The information may be identified to the individual in some cases. The *employer* is limited in how it may use this information. Its uses and disclosures must be necessary to carry out *plan* functions. The *plan* functions must relate to payment or health care operations, as defined in 45 CFR Subtitle A, Subchapter C, Part 164 - Security and Privacy. It may also use or disclose the information as required by law.

General Provision for Privacy – continued

Prior to receiving any protected health information the *employer* must certify to the *plan* that it agrees to:

1. Not use or disclose the information, except as stated above;
2. Require that any agent or subcontractor of the *employer* agree to the same limits that apply to the *employer* prior to giving the information to them;
3. Not use or disclose the information for employment related decisions or actions;
4. Not use or disclose the information in connection with other benefit plans the *employer* may sponsor;
5. Report to the *plan* any use or disclosure that does not comply with this General Provision;
6. Make the information available for review by the person that it relates to;
7. Make the information available for amendment and include any amendments with it;
8. Provide the necessary information to give an accounting of disclosures;
9. Make its internal practices, books and records in relation to the information open for review by the Secretary of Health and Human Services;
10. Return or destroy all information when it is no longer needed. If that is not possible, limit any further use or disclosure to the reason it was not possible to return or destroy it;
11. Maintain adequate separation between the *plan* and itself. Access to the information will be limited to members of the *employer's* Human Resources and Finance Departments that work with the *plan*. These individuals will receive the minimum necessary information to carry out the *plan* functions they perform; and
12. Provide an effective process to address non-compliance by the *employer* or its agents or subcontractors.

PRONOUNS

All personal pronouns used in the *plan* include either gender. This will be true unless its use clearly indicates otherwise.

PROTECTION AGAINST CREDITORS

Benefit payments under the *plan* are not subject in any way to alienation, sale, transfer, pledge, attachment, garnishment, execution or encumbrance of any kind. Any attempt to accomplish these will be void. If the *plan* finds that such an attempt has been made, it, at its sole discretion, may terminate *your* interest in the payments. The *plan* will then apply the amount of the payment to the benefit of an adult child, guardian of a minor child, brother or sister, or other relative of the *covered person*. Such payment will fully discharge the *plan* to the extent of the payment.

RIGHT TO NECESSARY INFORMATION

The *plan* may require certain information in order to apply the provisions of this *plan*. To get this information the *plan* may release or obtain information from any party it needs to. The exchange of such information will not require *your* consent. Any party may include an insurance company, organization or person. Information will only be exchanged to the extent needed to implement the provisions of the *plan*. *You* agree to furnish any information needed to apply the *plan* provisions.

RIGHT TO RECOVER

The *plan* reserves the right to recover payments made under the *plan*. Recovery is limited to the amount that exceeds the amount the *plan* is obligated to pay. This right of recovery applies against:

1. Any person(s) to, for or with respect to whom such payments were made; and
2. Any insurance company or organization. If under the terms of this *plan*, it owes benefits for the same expense under any other plan.

The *plan* alone shall determine against whom this right of recovery will be exercised.

If benefits have been paid by any other plan which should have been paid by this *plan*, the *plan* reserves the right to directly reimburse such plan. Reimbursement will be to the extent needed to satisfy the obligations of this *plan*. Any such payment made in good faith will fully discharge the *plan* of its obligation to the extent of such payment.

SECURITY

The *employer*, who is the sponsor of this *plan*, will receive electronic protected health information. The information may be identified to the individual in some cases. In relation to such electronic protected health information, the *employer* certifies to the *plan* that it agrees to.

1. Take appropriate and reasonable safeguards (administrative, physical and technical) to protect the confidentiality, integrity and availability of the information it creates, receives, maintains or transmits;
2. Require that any agent or subcontractor of the *employer* agrees to the same requirements that apply to the *employer* under this provision;
3. Report to the *plan* any security incident that the *employer* becomes aware of; and
4. Apply reasonable and appropriate security measures to maintain adequate separation between the *plan* and itself.

STATEMENTS

In the absence of fraud, all statements made by a *covered person* will be deemed representations and not warranties. A statement will not be used to contest coverage under the *plan* unless a signed copy of it has been provided to the *covered person*. If the *covered person* is deceased, the copy will be provided to their beneficiary.

TIME OF CLAIM DETERMINATION

After receipt of written proof of loss or utilization review request, the *plan* will notify *you* of its decision on *your* claim and issue payment, if any is due, as follows:

Urgent Care

Within 72 hours or as soon as possible if, *your* condition requires a shorter time frame. If more information is needed to make a decision on the claim, the *plan* will notify *you* of the specific information needed within 24 hours. *You* will then have 48 hours from the receipt of the notice to provide the requested information. Within 48 hours of its receipt of the additional information, the *plan* will give its decision on the claim. If *you* fail to provide the information requested by the *plan*, the *plan* will provide *you* with its decision on the claim within 48 hours of the end of the period that *you* were given to provide the information.

Time of Claim Determination – continued

If *you* fail to follow the *plan* procedure for a *pre-service claim*, the *plan* will notify *you* within 24 hours of the *plan's* receipt of the pre-authorization request. The notice will include the reason why the request failed and the proper process for obtaining pre-authorization.

Concurrent Care

Prior to the end of any pre-authorized course of treatment, if benefits are being stopped prior to the number of treatments or time period that was authorized. The notice must provide time for *you* to make an appeal and receive a decision on that appeal prior to the benefit being stopped. This will not apply if the benefit is being stopped due to a *plan amendment*. This will not apply if the benefit is being stopped due to the termination of the *plan*.

Requests to extend a pre-authorized treatment that involves *urgent care* must be responded to within 24 hours or as soon as possible if, *your* condition requires a shorter time frame. Such requests must be made at least 24 hours before the authorized course of treatment ends.

Pre-Service Claims

Within 15 days of receipt of a non-*urgent care* claim. The *plan* may extend this period by 15 days if; *you* are notified of the need for an extension prior to the end of the initial period. The extension must be due to circumstances that are beyond the *plan's* control. If an extension is due to the need for additional information, the *plan* will notify *you* of the specific information needed. *You* will then have 45 days from the receipt of the notice to provide the requested information.

If *you* fail to follow the *plan* procedure for a non-*urgent care pre-service claim*, the *plan* will notify *you* within five days of the *plan's* receipt of the pre-authorization request. The notice will include the reason why the request failed and the proper process for obtaining pre-authorization.

Post-Service Claims

Within 30 days of receipt of the claim. The *plan* may extend this period by 15 days if; *you* are notified of the need for an extension prior to the end of the initial period. The extension must be due to circumstances that are beyond the *plan's* control. If an extension is due to the need for additional information, the *plan* will notify *you* of the specific information needed. *You* will then have 45 days from the receipt of the notice to provide the requested information.

WORKERS' COMPENSATION NOT AFFECTED

This *plan* is not issued in lieu of Workers' Compensation coverage. It does not affect any requirement for coverage by any Workers' Compensation Law. It does not affect any requirement for coverage by any Occupational Disease Act.

CLAIM APPEAL PROCEDURE

If the *employee, dependent* or other beneficiary is not satisfied with the payment of claims provided, they must contact the *plan administrator*. An attempt will be made to resolve the concerns through an internal issue resolution process. If *you* are not satisfied with the resolution and wish to pursue the issue further, *you* may submit a written request to the *plan administrator* to initiate the appeal process. If *your* request for review is not received within one year, *your* right to appeal the claim denial is forfeited.

The *plan administrator* will attempt to resolve appeals through research by the appropriate department to determine if criteria and processes have been administered correctly. The *employee, dependent* or other beneficiary will be notified of the resolution no later than 31 days after the written request is received. If *you* are not satisfied with the decision, a written request must be submitted within 90 days of the review determination to initiate the next level of the Appeal Process. If this step of the process is not initiated as explained above, the action or claim denial will stand.

The Level I Review Committee will provide the first level formal review and the *plan administrator* will respond within 31 days after receiving the written request for review by the Level I Review Committee. *You* can proceed to the Member Relations Committee if new or additional information becomes available, and *you* submit a written request within 60 days of the Level I determination.

The Member Relations Committee will provide the second level formal review and the *plan administrator* will respond with a written determination of the Committee's findings within 31 days after the meeting of the Member Relations Committee.

Any *covered person* whose application for benefits under these Rules and Regulations has been denied in whole or in part, or whose claim to benefits or against the *plan* is otherwise denied, shall be notified in writing of such denial and the reasons therefore and may petition the *Board of Trustees* or the agent appointed by the *Board of Trustees*. A petition for review shall be in writing, shall state in clear and concise terms the reason or reasons for disputing the denial, shall be accompanied by any pertinent documentary material not already furnished to the *plan*, and shall be filed with or received by the *Board of Trustees* or the agent appointed by the *Board of Trustees* within 60 days after the date shown on the notice to the petitioner of the denial.

Upon good cause shown, the *Board of Trustees* or the agent appointed by the *Board of Trustees* shall permit the petition to be amended or supplemented and shall grant a hearing on the petition to receive and hear any evidence or argument which cannot be presented satisfactorily by correspondence. The failure to file a petition for review within such 60 day period, or the failure to appear and participate in such hearing, shall constitute a waiver of the claimant's right to review of the denial on the basis of the information and evidence submitted prior to the denial or hearing, as the case may be, provided that the *Board of Trustees* or the agent appointed by the *Board of Trustees* may relieve a claimant of any such waiver for good cause if application for such relief is made within one year after the date shown on the notice of denial. Such failure will not, however, preclude the claimant from establishing eligibility for benefits at a later date based on additional information and evidence which was not available to the claimant at the time of the denial or hearing. A decision by the *Board of Trustees* or the agent appointed by the *Board of Trustees* shall be made promptly unless special circumstance require an extension of time for processing, in which case a decision shall be returned as soon as possible, but not later than 120 days after receipt of the request for review. The petitioner shall be advised of the decision in writing.

The decision of the *Board of Trustees* or the agent appointed by the *Board of Trustees* with respect to a petition for review shall be final and binding upon all parties, including the applicant or petitioner any person claiming under the applicant or petitioner. The provision of this section shall apply to and include any and every claim to benefits from the *plan*, any claim or right asserted under these Rules and Regulations or against the *plan*, regardless of when the act or omission upon which the claim is based occurred.

AMENDMENT #1

Colorado Employer Benefit Trust (Vision Plan)
Employer Identification Number: 74-2141123

BENEFIT PLAN AMENDMENT
IT IS UNDERSTOOD AND AGREED THAT:

On page 3-4, the Retiree Coverage section is corrected to read as follows:

RETIREE COVERAGE

Retiree *employees* and their *dependents* may, at their former *employer's* option, continue coverage. The retiree must be at least 50 years old and:

1. Have either ten (10) years of continuous coverage with any participating *employer*; or
2. Have been employed by a participating *employer* for at least fifteen (15) years, or such other restrictions as the *employer* may impose. The retiree may continue coverage until age 65.

Retiree Coverage will continue until the date the retiree reaches age 65. At that time coverage will also end for any *dependents* of the retiree. The retiree must pay their portion of any *plan* contributions.

NOTE: If *you* are Medicare eligible, claims must be submitted to Medicare first. After Medicare has processed *your* claim, the claim and the Medicare EOB should be submitted to this *plan*.

IN WITNESS WHEREOF, the undersigned has caused this amendment to be duly adopted and effective as of July 1, 2010.

**BENEFIT PLAN AMENDMENT
IT IS UNDERSTOOD AND AGREED THAT:**

On page 2-1, item 2 of the Definition of Dependent is amended to read as follows:

2. A covered *employee's* married or unmarried: natural born, blood related child; step-child; foster child; legally adopted child; child placed in the *employee's* legal guardianship by court order; or a child placed with the *employee* for the purpose of adoption and for which the *employee* has a legal obligation to provide full or partial support; whose age is less than the limiting age.

The limiting age for each *dependent* child is 26 years of age.

Right To Check Dependent Eligibility

The *plan* reserves the right to check the eligibility status of a *dependent* at any time during the year. *You* and *your dependent* have an obligation to notify the *plan* when the *dependent's* eligibility status changes during the year. Please notify *your employer* of any status changes.

Dependent Child Special Open Enrollment Period

From 5/1/11 to 5/31/11, this *plan* will provide a *dependent* child with a special open enrollment period for *dependent* children who have not yet reached the limiting age under this *plan*. An eligible *employee* may also enroll at this time in order to add their newly eligible *dependent* child. During this *dependent* child special open enrollment period, *employees* who are adding a *dependent* child and who have a choice of coverage options will be allowed to change options.

Coverage begins on the first day of the Plan Year for Government Reporting as stated on page 4-1 of this *plan* if the *plan administrator* receives the completed enrollment form and any applicable *plan* contribution during the Dependent Child Special Open Enrollment Period. If *you* do not apply during the Dependent Child Special Open Enrollment Period, *you* will be considered a *late applicant*.

On page 3-2, the last paragraph of the Dependent Effective Date section is deleted from the *plan* in its entirety.

On page 3-2, the first paragraph of the Loss of Other Coverage section is amended to read as follows:

Loss of Other Coverage

If *you* declined coverage under this *plan* in favor of other group or individual health coverage, or COBRA continuation, and coverage under that other plan ends:

1. Due to *your* exhaustion of the maximum COBRA period;
2. Due to *your* loss of eligibility, for any reason; or
3. Employer contributions cease toward the cost of the other coverage;

On page 3-5, item 4 of the Changes in Status section is amended to read as follows:

4. **Dependent Status.** *Your dependent* satisfies or ceases to satisfy eligibility requirements for coverage;

On page 3-7, the following is added to the *plan* after the Termination of Coverage section:

Rescission of Coverage

As permitted by the Patient Protection and Affordable Care Act, the *plan* reserves the right to rescind coverage. A rescission of coverage is a retroactive cancellation or discontinuance of coverage due to fraud or intentional misrepresentation of material fact.

A cancellation/discontinuance of coverage is not a rescission if:

1. It has only a prospective effect; or
2. It is attributable to non-payment of premiums or contributions.

On page 4-3, the following is added to the end of the Order of Benefit Determination section:

When an individual is covered under a spouse's plan and also under his or her parent's plan, the primary plan is the plan of the individual's spouse. The plan of the individual's parent(s) is the secondary plan.

On page 4-9, the Urgent Care section is amended to read as follows:

Urgent Care

Within 24 hours or as soon as possible if, *your* condition requires a shorter time frame. If more information is needed to make a decision on the claim, the *plan* will notify *you* of the specific information needed within 24 hours. *You* will then have 48 hours from the receipt of the notice to provide the requested information. Within 48 hours of its receipt of the additional information, the *plan* will give its decision on the claim. If *you* fail to provide the information requested by the *plan*, the *plan* will provide *you* with its decision on the claim within 48 hours of the end of the period that *you* were given to provide the information.

If *you* fail to follow the *plan* procedure for a *pre-service claim*, the *plan* will notify *you* within 24 hours of the *plan's* receipt of the pre-authorization request. The notice will include the reason why the request failed and the proper process for obtaining pre-authorization.

On page 4-10, the following is added to the end of the Time of Claim Determination section:

Upon any adverse benefit determination of a claim, *you* will be provided with a notice that contains the following:

1. Information sufficient to identify the claim involved (including the date of service, the health care provider, the claim amount (if applicable), the diagnosis code and its corresponding meaning, and the treatment code and its corresponding meaning);

2. The specific reason or reasons for the adverse determination, including the denial code and its corresponding meaning, as well as a description of the *plan's* standard, if any, that was used in denying the claim;
3. Reference to the specific *plan* provisions on which the benefit determination is based;
4. A description of any additional material or information necessary for the claimant to perfect the claim or an explanation of why such material or information is necessary;
5. A statement describing any voluntary appeal procedures offered by the *plan*, including the time limits applicable to such procedures, and the claimant's right to obtain information about those procedures;
6. A statement regarding the claimant's right to file a lawsuit, if any;
7. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
8. If the adverse benefit determination is based on a medical judgment or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the *plan* to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
9. The availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under PHS Act section 2793 to assist individuals with the internal claims and appeals and external review processes.

On page 4-11, the Claim Appeal Procedure section is amended to read as follows:

CLAIM APPEAL PROCEDURE

If the *employee, dependent* or other beneficiary is not satisfied with the payment of claims provided or with a rescission of coverage determination, they must contact the *plan administrator*. An attempt will be made to resolve the concerns through a two-level internal issue resolution process. After the two-level process, if *you* are not satisfied with the resolution and wish to pursue the issue further, *you* may submit a written request to the *plan administrator* to initiate the appeal process with the Board of Trustees.

The Level I Review Committee will provide the first level formal review. *You* can proceed to the Member Relations Committee if *you* are not satisfied with the decision of the Level I Review Committee.

You may appeal the denial of a claim, utilization review decision or a rescission of coverage determination by following these procedures:

1. File a written request, with the *plan administrator*, for a full and fair review of the claim by the *plan*;
2. Request to review documents pertinent to the administration of the *plan*, including *your* claim file;
3. Submit written comments and issues outlining the basis of *your* appeal; and
4. Present evidence and testimony regarding *your* appeal.

A request for a review must be filed with the *plan administrator* within 180 days after receipt of the claim denial. If *your* request for review is not received within 180 days, *your* right to appeal the claim denial is forfeited.

If *your* request for a review by the Level I Review Committee is received within 180 days, a full and fair review of the claim will be held by the Level I Review Committee. The review will not give weight to the initial claim decision. If the appeal involves a decision of medical judgment, a medical consultant that has appropriate training and experience in the field of medicine at question will be involved. If the appeal involves the experimental status of a service, a medical consultant that has appropriate training and experience in the field of medicine at question will be involved. Any such medical consultant will not have had prior involvement with the claim being appealed. In addition, if any new or additional evidence is relied upon or generated during the determination of the appeal, or if a new rationale is expected to be used as the basis of a denial, the *plan* will provide that information to *you* free of charge and sufficiently in advance of the due date of the response to the adverse benefit determination.

After the review by the Level I Review Committee, the *plan's* decision will be made to *you* in writing. It will include specific reasons for the decision as well as specific references to the *plan* provisions on which the decision is based. *You* will be notified of the *plan's* decision as follows:

1. For *urgent care* claims, within 72 hours or as soon as possible if *your* condition requires a shorter time frame;
2. For *pre-service claims*, within 15 days or as soon as possible if *your* condition requires a shorter time frame; or
3. For *post-service claims*, within 30 days.

An expedited appeal process is available for *urgent care* cases.

You can proceed to the Member Relations Committee if *you* are not satisfied with the decision of the Level I Review Committee by filing a request with the *plan administrator* for an appeal within 60 days after *your* receipt of a denial by the Level I Review Committee. The Member Relations Committee will provide the second level formal review. The *plan administrator* will respond within the same time frames that apply to the Level I Review Committee.

Any *covered person* whose application for benefits under these Rules and Regulations has been denied by the Level I Review Committee and the Member Relations Committee, in whole or in part, or whose claim to benefits or against the *plan* is otherwise denied, shall be notified in writing of such denial and the reasons therefore and may petition the *Board of Trustees* or the agent appointed by the *Board of Trustees*. A petition for review shall be in writing, shall state in clear and concise terms the reason or reasons for disputing the denial, shall be accompanied by any pertinent documentary material not already furnished to the *plan*, and shall be filed with or received by the *Board of Trustees* or the agent appointed by the *Board of Trustees* within 60 days after the date shown on the notice to the petitioner of the denial.

Upon good cause shown, the *Board of Trustees* or the agent appointed by the *Board of Trustees* shall permit the petition to be amended or supplemented and shall grant a hearing on the petition to receive and hear any evidence or argument which cannot be presented satisfactorily by correspondence. The failure to file a petition for review within such 60 day period, or the failure to appear and participate in such hearing, shall constitute a waiver of the claimant's right to review of the denial on the basis of the information and evidence submitted prior to the denial or hearing, as the case may be, provided that the *Board of Trustees* or the agent appointed by the *Board of Trustees* may relieve a claimant of any such waiver for good cause if application for such relief is made within one year after the date shown on the notice of denial. Such failure will not, however, preclude the claimant from establishing eligibility for benefits at a later date based on additional information and evidence which was not available to the claimant at the time of the denial or hearing. A

decision by the *Board of Trustees* or the agent appointed by the *Board of Trustees* shall be made promptly unless special circumstance require an extension of time for processing, in which case a decision shall be returned as soon as possible, but not later than 120 days after receipt of the request for review. The petitioner shall be advised of the decision in writing.

The decision of the *Board of Trustees* or the agent appointed by the *Board of Trustees* with respect to a petition for review shall be final and binding upon all parties, including the applicant or petitioner any person claiming under the applicant or petitioner, except if *you* seek an external review under the Federal External Review Program, discussed below. The provision of this section shall apply to and include any and every claim to benefits from the *plan*, any claim or right asserted under these Rules and Regulations or against the *plan*, regardless of when the act or omission upon which the claim is based occurred.

Upon any adverse benefit determination at any point in the appeal process, *you* will be provided with a notice that contains the following:

1. Information sufficient to identify the claim involved (including the date of service, the health care provider, the claim amount (if applicable), the diagnosis code and its corresponding meaning, and the treatment code and its corresponding meaning);
2. The specific reason or reasons for the adverse determination, including the denial code and its corresponding meaning, as well as a description of the *plan's* standard, if any, that was used in denying the claim;
3. Reference to the specific *plan* provisions on which the benefit determination is based;
4. In the case of a notice of final internal adverse benefit determination, a discussion of the decision;
5. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits;
6. A statement describing any voluntary appeal procedures offered by the *plan* and the claimant's right to obtain information about those procedures;
7. A statement regarding the claimant's right to file a lawsuit, if any;
8. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
9. If the adverse benefit determination is based on a medical judgment or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the *plan* to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
10. The following statement: "*You and your plan* may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact *your* local U.S. Department of Labor Office and *your* State insurance regulatory agency"; and
11. The availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under PHS Act section 2793 to assist individuals with the internal claims and appeals and external review processes.

Federal External Review Program

The Departments of Health and Human Services, Labor and Treasury (Departments) will establish a Federal external review process which will be available in those jurisdictions where no State external review process is in effect. Where applicable, once the process has been established by the Departments, *you* will be provided with additional information concerning the process. Contact UMR at the telephone number shown on *your* ID card for more information on the Federal external review program.
