Date

Signature of Spouse

* Under Colorado law "in order to have a common-law marriage there must be evidence of cohabitation as husband and wife and general reputation that the two individuals are living together as husband and wife.

By cohabitation is meant living together as husband and wife and claiming to be such.

By general reputation is meant the understanding among the neighbors and acquaintances with whom the parties associate in their daily lives, that they are living together as husband and wife and not that they are merely living together."
