## Program Schedule and Course Catalogue for 2019

The Affordable Care Act (ACA) and related legislation have dawned a new era of federal and state regulation for insurers and employer-plan sponsors. Along with a bevy of on-going compliance and reporting obligations, employers face significant enhancements to the current scope of agency auditing activities and the associated employer penalties. In response to this ever-complicating regulatory landscape, Willis Towers Watson offers employers professional educational opportunities via the Willis Towers Watson Compliance Academy.

Utilizing the Willis Towers Watson Compliance Academy, clients have access to regularly-scheduled monthly live webcasts hosted by the legal and compliance experts at Willis Towers Watson. Diving into the most complicated and daunting compliance expectations, the Academy provides timely access to regulatory training in an easy-to-understand and convenient educational model. Attendees are eligible to receive professional HR certification credits for most all of the courses offered by the Academy.

For the 2019 calendar year, Willis Towers Watson Compliance Academy courses will be offered on a monthly basis, generally on the second and fourth Wednesday of each month at 1:00 pm eastern / 10:00 am pacific. The Academy will also host quarterly webcast presentations of significant regulatory developments. The courses are generally one hour in length and include presentation materials for the benefit of interested participants. For current clients, there is no additional cost associated with the educational and certification opportunities provided by the Academy. For additional information, please contact your local Willis Towers Watson service team member.

Remember, the Program Schedule includes embedded registration links for each Willis Towers Watson Compliance Academy session and clients may register any number of individuals for each course.
