

Colorado Springs: We're growing to meet your health care needs!

PREMIER MEDICAL OFFICES

We're excited to announce that the **25,000-square-foot Premier Medical Offices will open February 8, 2021.**

Located at North Union Boulevard and Austin Bluffs Parkway, our third location in Colorado Springs will offer:

- **Primary care**
- **Specialty care** – cardiology, endocrinology, neurology, rheumatology, and more to come
- **Infusion services** – non-cancer infusions
- **Lab services**
- **Medical imaging** – including mammography and ultrasound
- **Pharmacy**
- *All under one roof!*

A modern experience

The Premier Medical Offices are designed to provide a comfortable, convenient, and hospitable experience for members, while also making it easier for care teams to communicate, collaborate, and provide more efficient care.

Environmentally responsible

As the nation's first-ever carbon neutral health care system, Kaiser Permanente is committed to being green. The Premier Medical Offices will stay true to our efforts of being carbon neutral and will have environmentally friendly features.
