WHO IS ELIGIBLE?

As a Platte Canyon School District #1 employee, you are eligible for benefits if you are a full-time employee and/or part of a benefits eligible group. Benefits are effective on the first of the month following your date of hire for licensed employees OR the first of the month following 90 days of employment for classified employees. You may enroll your eligible dependents for coverage once you are eligible, which could include your legal spouse, civil union partner, and children up to age 26.

CHANGING YOUR BENEFITS

New Employees: As a new employee, you must enroll in benefits within 30 days of your effective date. If you do not enroll within 30 days, you will need to wait until the next open enrollment period to enroll.

Qualifying Events and Dropping Dependents: Generally, you may make or change your benefit elections only as a new hire or during the annual open enrollment period. However, you may also update your benefit elections during the year if you experience one of the following qualifying life events:

Change in marital status

- Marriage
- Death of spouse
- Divorce or Legal separation

Change in the number of dependents

- Marriage
- Birth
- Death
- Adoption of a child or placement of a child for adoption

Change in coverage status

- Loss or gain of other coverage by the employee or dependent

Change in individual coverage status due to aging out

- In the event that an employee loses eligibility on their parent's plan, due to aging out (26)

You have 30 days from the date of a qualifying life event to make changes to your coverage. Depending on the event, you may be required to provide supporting documentation (e.g., a marriage license or birth certificate). Documentation is not required if you are only removing a dependent from your current plan. However, documentation is always required when adding dependents outside of open enrollment.

KEY BENEFIT TERMS

Benefit Year: The 12 months over which the benefits are paid and accumulated. The deductible and out-of-pocket maximums are accumulated over the Benefit Year and are reset to zero at the beginning of the next Benefit Year. For CEBT, the benefit year is January 1 – December 31.

Deductible: The amount you owe for health care services before your health insurance or plan begins to pay. (For example: John has a health plan with a $1,500 annual deductible. He falls off his roof and needs three knee surgeries; the first is $800. Because John hasn't paid anything toward his deductible this year, he is responsible for 100% of his first surgery. $800 is applied to his deductible.)

Copay: A fixed amount you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service. The copay does not apply towards meeting the deductible but does count towards the out-of-pocket maximum.

Coinsurance: Your share of the costs of a covered health service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance after you have met any deductible you owe. (For example: John's second surgery costs $3,200. Because he's paid $800 of his $1,500 annual deductible, John is responsible for the first $700 to meet his deductible. His plan will then cover 80% of the remaining cost, for a total of $2,000 [$2,500 x 80%].)

KEY BENEFIT TERMS CONTINUED

Out-Of-Pocket Maximum (OOPM): The most you pay in a calendar year before your health plan begins to pay 100% of the allowed amount.

Items that count towards the out-of-pocket maximum:

- Copays
- Deductibles
- Co-insurance payments

Items that **DO NOT** count towards the out-of-pocket maximum:

- Your premium
- Balance-billed charges
- Charges your plan does not cover (e.g., plastic surgery, excluded services, etc.)

Example: John's third surgery costs $12,000; his plan has a $4,000 OOPM. Because John already paid $2,000 toward his OOPM for his first two surgeries, he only needs to spend $2,000 before he hits his OOPM ($4,000 - $2,000). The plan pays the remaining $10,000 ($8,000 - $2,000).

In-Network: Doctors, clinics, hospitals, and other providers with whom the health plan has an agreement to care for its members. Health plans cover a greater share of the cost for in-network health providers than for out-of-network providers.

Out-of-Network: A health plan will cover treatment for doctors, clinics, hospitals, and other providers who are out-of-network, but members will pay more out-of-pocket to use out-of-network providers than for in-network providers.

Primary Care Physician (PCP): A physician who provides the first contact for a person with a health concern as well as continuing care for varied medical conditions, not limited by cause, organ system, or diagnosis.

Health Savings Account (HSA): A tax-advantaged medical savings account available to those who are enrolled in a high-deductible health Plan (HDHP). The funds contributed are not subject to federal income tax. These funds may be used for a variety of medical, dental, and vision expenses. For a full list, visit www.irs.gov in IRS Publication 502.

Flexible Spending Account (FSA): An account employees put money into that they can then use to pay for certain out-of-pocket health care costs. You don't pay taxes on this money, which means you'll save an amount equal to the taxes you would have paid on the money you set aside.

Explanation of Benefits (EOB): A statement sent by a health insurance company to covered individuals, which explains the medical treatments and/or services that were paid on their behalf.

Formulary: A list of prescription drugs covered by the health plan.

U&C – Usual and Customary: The amount that the plan allows for a specific procedure or service. Also known as R&C (Reasonable and Customary). The member can be billed for these charges.

Balance Billing: When a provider bills you for the difference between the provider's charge and what your health plan pays. A participating provider cannot balance bill you for covered services under its contract. Balance billed amounts do not apply toward your deductible or OOPM.

Medical Plan Disclosures

This comparison of coverage is intended only as a general description for the principle in network features of the benefit plans. If there are questions about a particular benefit or the coverage tier, please refer to the full plan document that is posted on the **www.cebt.org** website for specific coverage details**.**

***Charges are subject to Usual & Customary (U&C). These charges are considered in excess of the Reasonable Reimbursement, the Recognized Amount, the Usual and Customary charge, the Negotiated Rate, or the fee schedule. Exclusions under this category do not apply to payments that may be required under the No Surprises Act.

Preventative Services – will be processed following the Federal Patient Protection and Affordable Care Act. For more information on these services go to **https://cebt.org/benefit-booklets**.

Embedded - Under this deductible definition, any single member of a family doesn't have to meet the full family deductible for the after-deductible benefits to kick in. Once they meet the individual deductible, plan benefits will start to pay.

Non-Embedded - Also referred to as an aggregate deductible. Under this arrangement, the total family deductible must be paid out-of-pocket before health insurance starts paying for the health care services incurred by any family member. Usually applies in High Deductible Health plan. The individual deductible doesn't apply if there are multiple people covered by the plan (Employee +1, Employee + Spouse, Family Coverage, etc.)

PPO Note: Combination of PPO and Non PPO out of pocket limit will never exceed the Non PPO out of pocket limit.

PPO Plan deductibles fall under the definition of an Embedded deductible where any single member of a family doesn't have to meet the full family deductible for the after-deductible benefits to kick in. Once they meet the individual deductible, plan benefits will start to pay.

The member must use a contracted Kaiser Permanente provider for all care. Out of network providers are only covered if the charges are for emergency treatment. If this is not done, there is no guarantee that the charges will be covered.

Kaiser Preventative Services – will be processed following the Federal Patient Protection and Affordable Care Act. For a full list go to **https://healthy.kaiserpermanente.org/colorado/learn/preventive-services**.

DENTAL PLAN A

Regular dental exams and cleanings help detect dental issues early, before they become painful and expensive. Maintaining healthy teeth and gums can help prevent tooth decay and support your overall health.

CEBT uses the Delta Dental network. You can access three different network levels: **PPO Dentist, Premier Dentist, and Non-Participating Dentist**. Although you can visit any dentist of your choosing, it's in your best interest to find a Delta Dental provider (PPO dentist or Premier dentist) to receive the best benefits, savings, discounts, and protection from balance-billing for covered services.

Official plan documents can be found on the **Benefits Booklets** page on the CEBT website. Locate a Delta Dental network dentist and learn about the different network levels at **deltadental.com**.

If you enroll in the **HDHP5 or KP HDHP 5000**, you may be eligible to open and fund a health savings account (HSA) through **American Fidelity**.

An HSA is a savings account that you can use to pay out-of-pocket health care expenses with pre-tax dollars.

The HSA maximum contribution is **$4,500** for employee-only coverage and **$9,000** for all other tiers for the **2027** plan year. Individuals age 55 or older can contribute an extra **$1,000** as a catch-up contribution.

Our American Fidelity representative will reach out to all newly eligible employees as well as hold meetings during annual open enrollment.

FLEXIBLE SPENDING ACCOUNT

Platte Canyon School District #1 offers three flexible spending account (FSA) options—the Health Care FSA, the Limited Purpose FSA, and the Dependent Care FSA—which allow you to pay for eligible expenses with pre-tax dollars. The FSAs are administered by American Fidelity.
Our American Fidelity representative will reach out to all newly eligible employees as well as hold meetings during annual open enrollment.

Health Care FSA

Eligible expenses include deductibles, copays, and other health-related expenses not covered by medical, dental, or vision plans. The health care FSA maximum contribution is **$3,500** for the **2027** plan year. The Health Care FSA can only be paired with the PPO9 and KP DHMO 5000.

Limited Purpose FSA

A Limited Purpose FSA is a pre-tax account that lets you pay for dental and vision expenses. You can save money on expenses like dental checkups, vision exams, eyeglasses, and more. The limited-purpose FSA maximum contribution is the same as a traditional health care FSA: **$3,500** for the **2027** plan year. The Limited Purpose FSA is available to those enrolled in the HDHP5 or KP HDHP 5000 with an HSA.

Dependent Care FSA

Eligible expenses include daycare facility fees, before- and after-school care, and in-home babysitting fees (income must be reported by your care provider). You may contribute up to **$7,500** to your dependent care FSA for the **2026** plan year if you are married and file a joint return or if you file a single or head of household return.

LIFE AND AD&D COVERAGE

Life insurance is an important aspect of financial security, especially if others depend on you. Accidental Death & Dismemberment (AD&D) insurance is designed to provide a benefit to your designated beneficiary or beneficiaries in the event of accidental death or dismemberment.

Platte Canyon School District #1 provides Basic Life and AD&D Insurance to all eligible employees at no cost to employees through The Standard.

Life Insurance

This benefit is payable to the designated beneficiary upon the death of the insured.

Accidental Death & Dismemberment Coverage

This insurance provides specified benefits for a covered, accidental bodily injury that directly causes dismemberment (i.e. the loss of a hand, foot, or eye). If death occurs from an accident, both the Life and the AD&D benefit would be payable.

Life / AD&D Benefit Amount	$35,000
Benefit Reduction	40% at age 65, 65% at age 70, 75% at age 75, 80% at age 80

(You must have supplemental coverage for yourself if you want to purchase it for your dependents.) The rates are age-banded, with benefits reducing at age 65.
