WHO IS ELIGIBLE?

As a Belle Creek Charter School employee, you are eligible for medical, dental, and vision benefits if you work at least 30 hours per week. Employees who work 40 hours per week are also provided basic life and AD&D insurance, short-term disability, and long-term disability at no cost. Benefits are effective on the first of the month following 30 days of employment. You may enroll your eligible dependents for coverage once you are eligible, which could include your legal spouse, civil union partner, and children up to age 26.

CHANGING YOUR BENEFITS

New Employees: As a new employee, you must enroll in benefits within 30 days of your date of hire. If you do not enroll within 30 days, you will need to wait until the next open enrollment period to enroll.

Qualifying Events and Dropping Dependents: Generally, you may make or change your benefit elections only as a new hire or during the annual open enrollment period. However, you may drop a dependent at any time (coverage will continue through the end of that month), or you may update your benefit elections during the year if you experience one of the following qualifying life events:

Change in marital status

- Marriage
- Death of spouse
- Divorce or Legal separation

Change in the number of dependents

- Marriage
- Birth
- Death
- Adoption of a child or placement of a child for adoption

Change in coverage status

- Loss or gain of other coverage by the employee or dependent

Change in individual coverage status due to aging out

- In the event that an employee loses eligibility on their parent's plan, due to aging out (26)

You have 30 days from the date of a qualifying life event to make changes to your coverage. Depending on the event, you may be required to provide supporting documentation (e.g., a marriage license or birth certificate). Documentation is not required if you are only removing a dependent from your current plan. However, documentation is always required when adding dependents outside of open enrollment.

ANNUAL OPEN ENROLLMENT

2026 Open Enrollment dates: **April 20th - May 31st, 2026**. Open Enrollment this year is **PASSIVE**.

PASSIVE enrollment means you only need to complete online enrollment if you want to make changes to your benefits. If you wish to keep everything the same, no action is required.

To complete Open Enrollment, please register for CEBT's online enrollment system at [CEBT.org/for-employees](https://cebt.org/for-employees) to make your **2026-2027** benefit elections for medical, dental, vision, and life coverage. Changes will become effective **July 1, 2026**.

What Is CEBT?

The Colorado Employer Benefit Trust (CEBT) is a self-funded, governmental multiple-employer trust that provides health, dental, vision, and life benefits to more than 440 public entities and over 37,000 employees and dependents across Colorado.

Who Is WTW?

Willis Towers Watson (WTW) is the broker and administrator for CEBT. WTW provides customer service support for claims and benefits questions at (800) 332-1168 or (303) 773-1373, makes on-site visits to participating groups, assists prospective new members, and manages eligibility and premium billing between the Trust and employers.

WHAT ARE THE ROLES OF UMR, KAISER, CVS CAREMARK, DELTA DENTAL & VISION SERVICE PLAN (VSP)?

CEBT has contracted with these managed health care companies to provide claims processing and provider network access:

UMR provides third-party claim payment services and access to the United Healthcare provider networks for CEBT members who have medical coverage.

Kaiser provides third-party claim payment services and access to the Kaiser provider networks for CEBT members who have medical coverage.

CVS Caremark provides pharmacy payment and access to its provider network for CEBT members with medical coverage through United Healthcare.

Delta Dental of Colorado provides third-party dental claim payment services and access to its Dental PPO and Premier networks.

Vision Service Plan (VSP) provides the vision payment and access to their provider network for CEBT members who have vision coverage.

Much of your day-to-day correspondence, such as Explanations of Benefits (EOB) and requests for further information, will come from UMR or Kaiser Permanente. Additionally, you will receive ID cards from UMR or Kaiser Permanente, CVS Caremark, and Delta Dental, but not from VSP. VSP does not utilize cards.

KEY BENEFIT TERMS

Benefit Year: The 12 months over which the benefits are paid and accumulated. The deductible and out-of-pocket maximums are accumulated over the Benefit Year and are reset to zero at the beginning of the next Benefit Year. For CEBT, the benefit year is January 1 – December 31.

Plan Year: The 12 months over which the plan you choose is in force. The plan year runs from July 1 – June 30.

Deductible: The amount you owe for health care services before your health insurance or plan begins to pay. (For example: John has a health plan with a \$1,500 annual deductible. He falls off his roof and needs three knee surgeries; the first is \$800. Because John hasn't paid anything toward his deductible this year, he is responsible for 100% of his first surgery. \$800 is applied to his deductible.)

Copay: A fixed amount you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service. The copay does not apply towards meeting the deductible but does count towards the out-of-pocket maximum.

Co-Insurance: Your share of the costs of a covered health service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance after you have met any deductible you owe. (For example: John's second surgery costs \$3,200. Because he's paid \$800 of his \$1,500 annual deductible, John is responsible for the first \$700 to meet his deductible. His plan will then cover 80% of the remaining cost, for a total of \$2,000 [\$2,500 x 80%.])

KEY BENEFIT TERMS CONTINUED

Out-Of-Pocket Maximum (OOPM): The most you pay in a calendar year before your health plan begins to pay 100% of the allowed amount.

Items that count towards the out-of-pocket maximum:

- Copays
- Deductibles
- Co-insurance payments

Items that **DO NOT** count towards the out-of-pocket maximum:

- Your premium
- Balance-billed charges
- Charges your plan does not cover (e.g., plastic surgery, excluded services, etc.)

Example: John's third surgery costs \$12,000; his plan has a \$4,000 OOPM. Because John already paid \$2,000 toward his OOPM for his first two surgeries, he only needs to spend \$2,000 before he hits his OOPM (\$4,000 - \$2,000). The plan pays the remaining \$10,000 (\$8,000 - \$2,000).

In-Network: Doctors, clinics, hospitals, and other providers with whom the health plan has an agreement to care for its members. Health plans cover a greater share of the cost for in-network health providers than for out-of-network providers.

Out-of-Network: A health plan will cover treatment for doctors, clinics, hospitals, and other providers who are out-of-network, but members will pay more out-of-pocket to use out-of-network providers than for in-network providers.

Primary Care Physician (PCP): A physician who provides the first contact for a person with a health concern as well as continuing care for varied medical conditions, not limited by cause, organ system, or diagnosis.

Health Savings Account (HSA): A tax-advantaged medical savings account available to those who are enrolled in a high-deductible health Plan (HDHP). The funds contributed are not subject to federal income tax. These funds may be used for a variety of medical, dental, and vision expenses. For a full list, visit www.irs.gov in IRS Publication 502.

Flexible Spending Account (FSA): An account employees put money into that they can then use to pay for certain out-of-pocket health care costs. You don't pay taxes on this money, which means you'll save an amount equal to the taxes you would have paid on the money you set aside.

Explanation of Benefits (EOB): A statement sent by a health insurance company to covered individuals, which explains the medical treatments and/or services that were paid on their behalf.

Formulary: A list of prescription drugs covered by the health plan.

U&C – Usual and Customary: The amount that the plan allows for a specific procedure or service. Also known as R&C (Reasonable and Customary). The member can be billed for these charges.

Balance Billing: When a provider bills you for the difference between the provider's charge and what your health plan pays. A participating provider cannot balance bill you for covered services under its contract. Balance billed amounts do not apply toward your deductible or OOPM.

MEDICAL COVERAGE

Employees of Belle Creek Charter School have the option to choose from three different medical plan options (**PPO3, HDHP 2, and KP-DHMO 1000**) offered through the Colorado Employer Benefit Trust (CEBT). Each plan includes comprehensive health care benefits, including free preventive care services and prescription drug coverage. These plans use the (insert network name) network. This is the network of doctors you will want to stay within to access your in-network benefits.

Before you enroll in medical coverage, take some time to fully understand how each plan works. The tables below summarize the benefits of each medical plan. The coinsurance amounts listed reflect the amount you pay. Please refer to the official plan documents for additional information on coverage and exclusions.

Before You Choose a Plan, Consider This:

Do you prefer to pay more for medical out of your paycheck, but less when you need care?

What planned medical services do you expect to need in the upcoming year?

Do you or any of your covered family members take any prescription medications on a regular basis?

MEDICAL PLAN OPTIONS OVERVIEW

Below is a simplified breakdown of each plan type offered.

PPO Plan

- Copays apply to standard services (office visits, specialists, etc.).
- For high-cost services (hospital stays, outpatient care, advanced imaging), you must meet the deductible before paying coinsurance.
- After reaching the out-of-pocket maximum, the plan pays 100%.

HDHP (High-Deductible Health Plan)

- You pay 100% of medical costs up to the deductible, using: Your HSA, or Out-of-pocket funds.
- Preventive care is fully covered.
- After the deductible, the plan pays according to its benefit schedule.

Kaiser DHMO Plan

- Copays for basic services (office visits, specialists, etc.)
- High-cost services require meeting the full deductible, then coinsurance applies.
- Once you meet the out-of-pocket maximum, the plan pays 100%.
- In-network only.

Medical Plan Disclosures

This comparison of coverage is intended only as a general description for the principle in network features of the benefit plans. If there are questions about a particular benefit or the coverage tier, please refer to the full plan document that is posted on the www.cebt.org website for specific coverage details.

*Charges are subject to Usual & Customary (U&C). These charges are considered in excess of the Reasonable Reimbursement, the Recognized Amount, the Usual and Customary charge, the Negotiated Rate, or the fee schedule. Exclusions under this category do not apply to payments that may be required under the No Surprises Act.

Preventative Services – will be processed following the Federal Patient Protection and Affordable Care Act. For more information on these services go to cebt.org/benefit-booklets.

Embedded - Under this deductible definition, any single member of a family doesn't have to meet the full family deductible for the after-deductible benefits to kick in. Once they meet the individual deductible, plan benefits will start to pay.

Non-Embedded - Also referred to as an aggregate deductible. Under this arrangement, the total family deductible must be paid out-of-pocket before health insurance starts paying for the health care services incurred by any family member. Usually applies in High Deductible Health plan. The individual deductible doesn't apply if there are multiple people covered by the plan (Employee +1, Employee + Spouse, Family Coverage, etc.)

PPO Note: Combination of PPO and Non PPO out of pocket limit will never exceed the Non PPO out of pocket limit.

PPO Plan deductibles fall under the definition of an Embedded deductible where any single member of a family doesn't have to meet the full family deductible for the after-deductible benefits to kick in. Once they meet the individual deductible, plan benefits will start to pay.

The member must use a contracted Kaiser Permanente provider for all care. Out of network providers are only covered if the charges are for emergency treatment. If this is not done, there is no guarantee that the charges will be covered.

Kaiser Preventative Services – will be processed following the Federal Patient Protection and Affordable Care Act.

DENTAL PLAN A

Regular dental exams and cleanings help detect dental issues early, before they become painful and expensive. Maintaining healthy teeth and gums can help prevent tooth decay and support your overall health.

CEBT uses the Delta Dental network. You can access three different network levels: **PPO Dentist, Premier Dentist, and Non-Participating Dentist**. Although you can visit any dentist of your choosing, it's in your best interest to find a Delta Dental provider (PPO dentist or Premier dentist) to receive the best benefits, savings, discounts, and protection from balance-billing for covered services.

Official plan documents can be found on the [Benefits Booklets](#) page on the CEBT website. Locate a Delta Dental network dentist and learn about the different network levels at deltadental.com.

CEBT offers vision benefits through VSP, which provides coverage for routine eye exams and pays for all or part of the cost of glasses or contact lenses. Although you can choose any provider, you will save money by staying within the VSP network. You can find a list of local, in-network providers at VSP.com. Please note that the benefit year is a rolling 12 months. While the table below summarizes the plan, official plan documents can be found on the [Benefits Booklets](#) page on the CEBT website.

LIFE AND AD&D COVERAGE

Life insurance is an important aspect of financial security, especially if others depend on you. Accidental Death & Dismemberment (AD&D) insurance is designed to provide a benefit to your designated beneficiary or beneficiaries in the event of accidental death or dismemberment.

Belle Creek Charter School provides Basic Life and AD&D Insurance to all eligible employees at no cost to employees through The Standard.

Life Insurance

This benefit is payable to the designated beneficiary upon the death of the insured.

Accidental Death & Dismemberment Coverage

This insurance provides specified benefits for a covered, accidental bodily injury that directly causes dismemberment (i.e. the loss of a hand, foot, or eye). If death occurs from an accident, both the Life and the AD&D benefit would be payable.

RETIREMENT

PERA

As a benefited Belle Creek Charter School employee, you are enrolled in the Colorado Public Employees' Retirement Association (PERA) defined benefit retirement plan, sometimes called a pension plan.

How does a pension work? What happens to your contributions once they get to PERA, and how do you get them back?

You and your employer make monthly contributions:

- Every time you are paid, a portion of your paycheck automatically goes into your PERA retirement account. This money is always yours, even if you leave your job covered by PERA.
- As an employer in PERA's School Division, Belle Creek Charter School also contributes to PERA and PERA invests those dollars for you and all PERA members.
- At Belle Creek Charter School, PERA serves as a substitute for Social Security. This means every time you are paid, a portion of your paycheck goes to PERA and not to Social Security.

When you retire, you'll receive monthly payments for life:

- When the time comes to retire, you will receive a monthly check from PERA for the rest of your life.
- Your benefit is determined by the amount of time you work at your PERA-covered job, your age when you retire, and the average of your highest average salaries.
- Log on to your PERA Account to learn when you can retire and see an estimate of your future monthly income.

Changing jobs:

- If you get a new job at an employer that has PERA coverage, you will continue to build for your future retirement.
- If you leave for a new job that is not covered under PERA, you can still collect a benefit in retirement if you leave your account with PERA, or you can choose to take a refund of your contributions, interest and a potential match.

Additional benefits of your PERA membership:

- Survivor Benefits (at no additional cost)
- Disability Benefits (at no additional cost)
- Life Insurance (at affordable group rates)
- PERAPlus 401(K) voluntary retirement account allows you to contribute additional dollars from your salary to save more for retirement.

For more information about PERA, please contact them at (800) 759-7372 or visit copera.org.

VOLUNTARY BENEFITS: AFLAC

Belle Creek Charter School provides you with the option to enroll in Aflac’s voluntary plans. These plans let you stop worrying about expenses and focus on recovery. Our plans are customizable to your situation. The plans are affordable, provide rate stability, and do not coordinate with other insurance. Plans include accident, hospital, and cancer protection. Learn more about the plans listed below by visiting [Aflac’s Coverage Dashboard](#) page.

Accident Insurance

Accident insurance policies help provide support when life’s most unexpected moments arrive. Supplemental accident insurance is meant to be purchased in addition to your primary policy. It helps pay the bills that your major medical insurance doesn’t completely cover.

This helps provide peace of mind when new and unexpected injury costs occur. Aflac works by paying benefits regardless of your current plan. This gives you extra support and financial relief during these covered accidents.

Critical Illness Insurance

Critical Illness Insurance provides cash to help pay for both medical expenses not covered by your medical plan as well as day-to-day expenses that may start to add up – like rent, mortgage, car payments, etc. – while you are ill. With Critical Illness Insurance, if you are diagnosed with a covered illness, you get a lump-sum cash benefit, even if you receive other insurance benefits.

Hospital Insurance

An unplanned hospital visit can leave you with expenses not covered by major medical. Aflac pays you cash to help you with the expenses that health insurance doesn’t cover so you can worry less about covering your everyday needs.

Cancer Insurance

If cancer touches someone in your family, this plan may help ease the impact on your finances. Benefit payments are made directly to you, allowing you to pay for expenses like copayments, hospital stays, house and car payments. Aflac cancer insurance is here to help you and your family better cope financially—and emotionally—if a positive diagnosis of cancer ever occurs. Added comfort and protection means the freedom to focus on more important things.
